

SUNSHINE HELICOPTERS

Hapuna Heliport

Terms and Conditions

- Check-in is 35 minutes prior to departure.
- Photo ID required for check-in.
- 24-hour cancellation notice required.
- No scuba diving 24 hours prior to departure.
- Flight times are an average and may vary a few minutes over/under.
- Routes and sights may vary due to weather.
- Photos in brochure do not indicate actual routes & may be closer than actual tour.
- FAA regulations require 500 ft. terrain standoff.
- For your safety and comfort, hats & oversized bags are not permitted in aircraft.
- Children: A child under 24 months of age may fly at no charge and must sit on adult's lap. Please provide child's weight at time of booking. Children 2 yrs. and older must occupy a seat with seat belt on and are charged full fare.
- We reserve the right to reschedule or cancel any tour due to weather, maintenance, safety, weight and balance or management decision.

Fuel Surcharge

A fuel surcharge will be added to the tour fare. Based on fluctuating fuel prices the surcharge may increase or decrease.

Weight & Size Limitation

Helicopter weight and balance changes with every flight because of passenger weight, pilot weight and length of flight (fuel weight). **It is important that we have accurate body weights from every passenger. FAA regulations require all passengers and their carry-on items to be weighed at time of check-in.** If a standard airline seat belt is too small or you weigh over 290 lbs., you may be required to purchase a comfort seat. See your agent or call our reservations for more information. Thank you for your cooperation.

Experience the Adventure of a Lifetime

Owners Ross and Anna Scott, invite you to come fly their Black Beauty helicopters and experience Hawaii's hidden wonders. "We simply want to share the incredible experience of flying in a helicopter over the most awesome terrain and features in the world. From rainforest to desert, active volcanoes to the shore, sea cliffs and valleys, ancient ruins and historic towns." Our experienced pilots provide narration with a rich history and knowledge of the islands. Our reservations staff, friendly customer service crew, experienced pilots and well trained mechanics make your safety and comfort our number one priority.

It's all About the People – Ross Scott, owner and President has over 50 years of aviation experience and is a decorated Vietnam veteran. His experience has earned Sunshine Helicopters an excellent safety record with over 31 years of operations in Hawaii. "Our greatest asset is our people and their **aloha**. Sunshine's special **aloha** begins with our professional reservationists and our **aloha** continues when you step foot into our flight operations facility where our friendly ground crew will safety brief, pamper and escort you to your helicopter. Our pilot **aloha** is unmatched in the industry.

Aloha, *Ross & Anna Scott*
Ross and Anna Scott

Fly in Safety and Comfort

Our experienced pilots provide you with the best tours. Be assured that your comfort and safety is our greatest concern. Not only are they top-notch pilots, but excellent narrators as well, providing you with a rich history and knowledge of the islands.

Our highly qualified maintenance technicians are FAA certified and factory trained in the latest specialized procedures for airframe and power-plant diagnostics and service.

Our professional staff happily greet you with warm aloha, as you check in for your flight. Dispatchers will visit with you as you enjoy coffee or brew a cup of tea, while relaxing in comfortable surroundings in our facility. Our Sunshine Helicopters logo shop provides a variety of affordable memento items and sports wear to browse through.

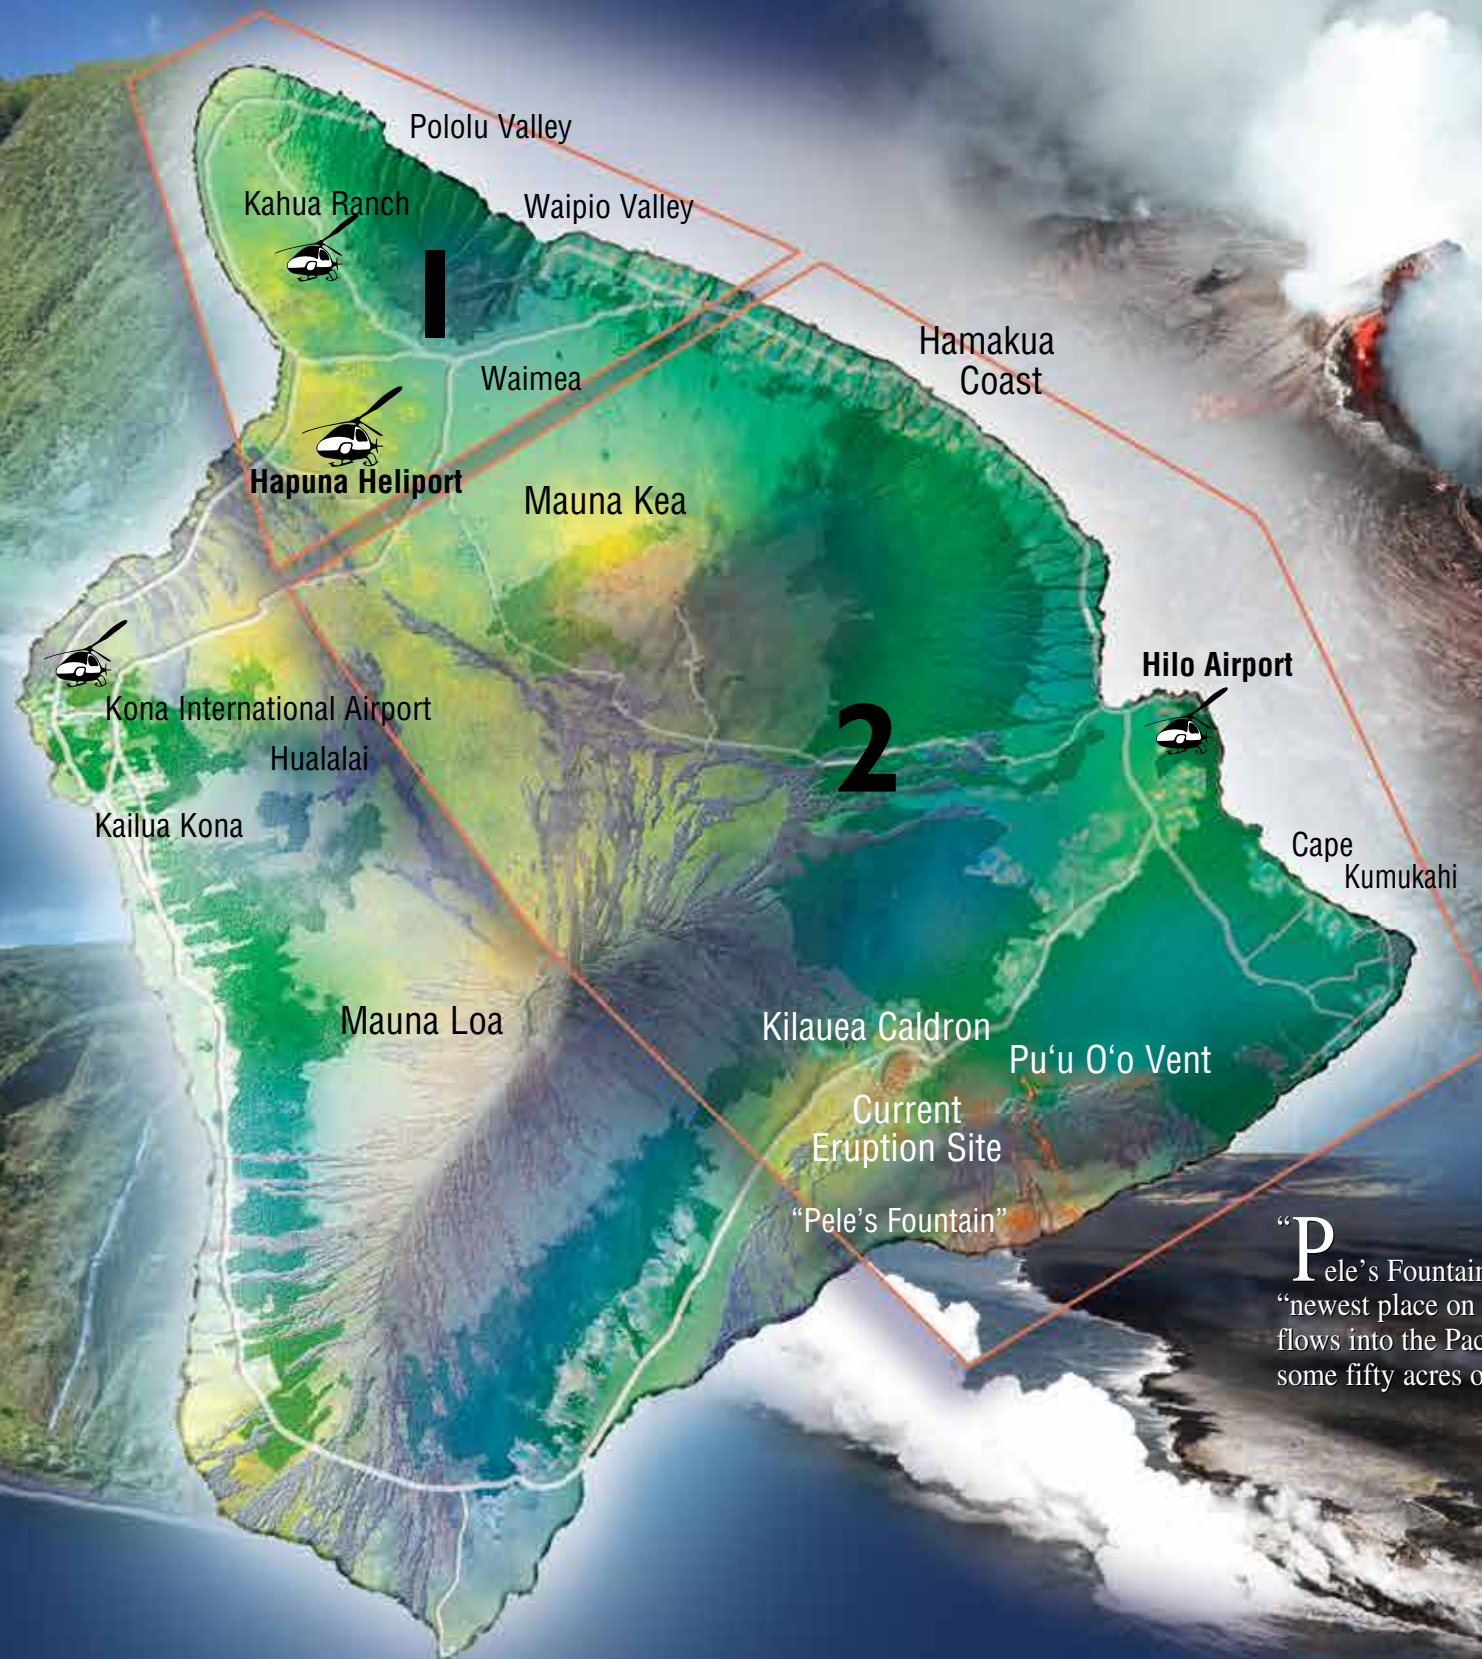

Sunshine Helicopters is a proud member of the Tour Operators Program of Safety. T.O.P.S. goes beyond the requirements of the Federal Aviation Regulations with higher standards for management, pilot qualifications and training, maintenance, ground support personnel and aircraft equipment. www.topssafety.com

Experience the fiery Pu'u O'o lava vent. The origin of the active eruption on the slopes of Kilauea. Peer into this opening's red hot cauldron to capture roiling lava amidst surges of volcanic steam.

Waterfall enthusiasts will encounter a parade of some of the most beautiful cascades on earth.

"Pele's Fountain" is virtually the "newest place on earth." Molten lava flows into the Pacific Ocean creating some fifty acres of new land per year.

Witness the spectacular Hamakua coast's beautiful towering sea cliffs. Discover remote winding valley's and majestic tropical rain forest. Access many areas inaccessible by any other means. One of the most spectacular aerial tours anywhere.
